

Summer 2018

Ping Identity

Position Title: Information Systems Intern
Address: 1001 17th Street
City: Denver
State: CO
Zip: 80202
Paid Position: Yes
Deadline to Apply: February 16, 2017

Overview

At Ping Identity, we're changing the way people think about enterprise security technology. With our innovative Identity Defined Security platform, we're helping to build a borderless world where people have total freedom to work wherever and however they want. Without friction. Without fear.

We're headquartered in Denver, Colorado, and we have offices and employees around the globe. And we serve the largest, most demanding enterprises worldwide, including over half of the Fortune 100. Because even in the most complex enterprise environments, security shouldn't be a source of anxiety. It should be one of your greatest competitive advantages.

We call this digital freedom. And it's not just something we provide our customers. It's something that drives our company. People don't come here to join a culture that's build on digital freedom. They come to cultivate it.

Job Description

Ping Identity is seeking a Salesforce CRM intern to join our fast-paced Information Systems Team. This exciting opportunity works cross-functionality with all areas of the business. The Salesforce Administrator is responsible for ongoing administration, support and training of SFDC and other applications integrating/implemented on the force.com platform.

Job Functions:

- Work with Information Systems team to develop mission-critical applications, including daily support, enhancements, and development initiatives
- Engage with business users and technical staff to design, configure, and implement solutions

Summer 2018

- Work with Strategic Programs team on project-related tasks such as requirements gathering, business analysis, process documentation, project planning, etc.
- Perform QA testing to ensure quality implementation and eliminate production bugs
- Support data standardization and cleanup efforts
- Documentation and testing of business processes

Special Job Requirements

Essential Qualifications:

- Working towards a BS in Computer Science or related with at least 2 years completed
- Understanding of object-oriented programming/design
- Working knowledge of HTML and web technologies
- Ability to quickly learn new technologies
- Strong analytical and problem-solving skills
- Self-starter and possess strong sense of self-motivation
- Passion for delivering valuable, data-driven solutions using technology
- Excellent verbal and written communication skills

Desired Qualifications:

- Experience with CRM applications, especially Salesforce is a plus
- Knowledge of web technologies such as .Net, C#, Java
- Coursework in SQL, MYSQL relational database concepts
- Knowledge in javascript and associated frameworks

Important:

Despite the deadlines posted here, applications are reviewed on rolling basis and hiring can occur once the right candidate is found, so apply as soon as you know you want to pursue this opportunity.

To Apply:

Please follow the 2-step process below.

- 1) Submit cover letter and resume via your school's career portal.
- 2) Apply on Ping Identity's website at <https://recruit.hirebridge.com/v3/applicationv2/Jobapplylogin.aspx?cid=7647&jid=466399>
