

Summer 2020

ArrowMark Partners

Position Title: Investment Analyst Intern
Address: 100 Fillmore Street, Suite 325
City: Denver
State: CO
Zip: 80206
Paid Position: Yes
Deadline to Apply: January 10, 2020

Overview

ArrowMark Partners is an investment management firm based in Denver, CO, with \$18 billion of assets under management that seeks to deliver superior risk-adjusted returns by cultivating world-class human capital. We are seeking full-time summer interns who may spend time working, often simultaneously, with each of: 1) Equity research; 2) Credit research; 3) Real estate finance; and 4) Sales & Marketing. The work done by interns supports our Portfolio Managers & Senior Analysts in their research efforts, provides valuable help in expanding our client base, and provides a different perspective on all of ArrowMark's operations. Summer interns should expect to: receive training in the investment research process, critically analyze investment ideas ranging from specific securities to alternative assets, produce reports through the analysis of industry investment data and firm performance data, assist in producing client presentations, and work in a fast-paced, results-oriented environment. See arrowmarkpartners.com for additional information.

Job Description

Interns will begin the program with an Intensive Financial Modeling course, which will involve reading SEC filings and creating company models in Excel. Following the completion of that work, interns will work on several projects, each of which may be overseen by different employees. All interns report to the investment team members who oversee the intern program and these mentors are always available to answer questions, work through conflicting time demands, and provide ongoing performance feedback. Interns will work approximately 50 hours per week on average.

Summer 2020

Qualified candidates should be pursuing a bachelor's degree, should have strong quantitative and analytical skills, and should possess:

- Eagerness to learn and keep up-to-date with the investment industry and market conditions
- Desire to live in Denver and availability to work for at least 10 weeks
- Good technical skills, including proficiency in Microsoft Office, particularly Excel
- Strong English language skills
- Minimum GPA of 3.0
- Prior investment experience is preferred

Special Job Requirements

Interested and qualified candidates should submit a resume and a cover letter. Exemplary interns may receive an offer for full-time employment post-graduation. To be eligible for consideration, candidates must be authorized to work in the United States. ArrowMark does not sponsor work or work-study visas for new graduates.

Please address cover letter to:

Mr. Jeff Torres

c/o ArrowMark Partners
